- One of the strongest growth areas in Australia (top 5 fastest growing municipalities) expected to grow by a further 377,000* residents (additional 164,000* jobs) over the next 30 years
- \$30billion plan to further develop region into vibrant education hub and centre of excellence
- Location with high proportion of dual income families, supporting need for local childcare services

Source: Herald Sun and Population ID

THE 'INVESTMENT OPPORTUNITY'

High demand asset class experiencing exceptional popularity due to Melbourne's booming population growth

Supported by \$37billion investment by Federal Government to sector over next four years and subsidies for childcare centre parents[^]

Strong tenant commitment due to; high fit out cost, specialised nature of facilities, high business values, licensing requirements / obligations attached to the property

Strong depreciation benefits
